

HIS DWELLING PLACE

The Lord has chosen Zion; He has desired it for His dwelling place.
Psalm 132:13

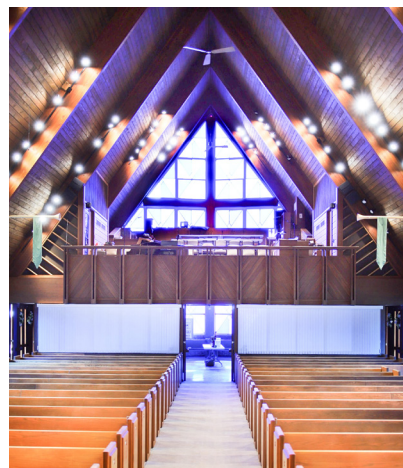

PHASE II SANCTUARY RENOVATION
ZION LUTHERAN CHURCH & SCHOOL

SANCTUARY RENOVATION

In the nearly 63 years that our sanctuary has served God's people, His Zion, only minor updates have taken place, including the replacement of floor tiles and a new sound system nearly 20 years ago.

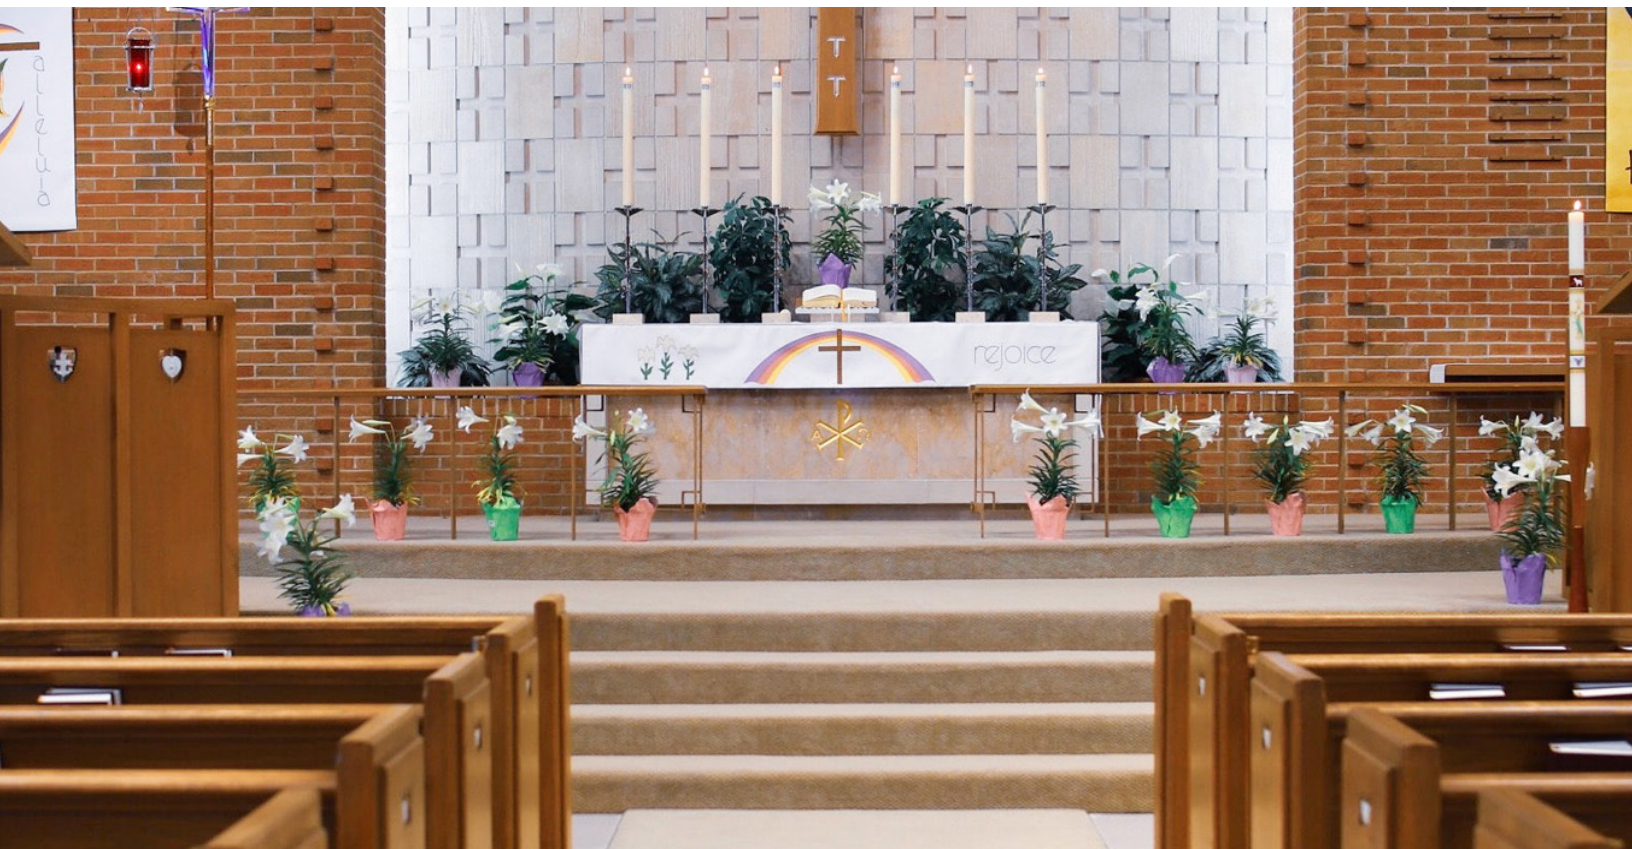

The plan is to refresh the entire sanctuary with updated materials in a renovation project this Summer, while, at the same time, honoring the architectural integrity of the worship space.

- Replace the carpet in the chancel with ceramic tile and install wood steps with a contrasting bullnose to clearly identify the steps.
- Replace the tile under the pews and in the narthex with the same luxury vinyl that was installed last summer in the fellowship hall and offices.
- New pews or refurbish existing pews.
- Install kneeling pads around the communion rail and new cushions in the pews.
- Clean and seal the ceiling to enhance the acoustics.
- Replace the ceiling in the narthex.
- Update the light switching and electrical systems.
- Replace/update the current sound and livestream systems.
